Statistics of Queensland, part F, 1962-63

## FOREWORD

The *Statistics of Queensland* has hitherto been issued in eight separate parts, each dealing with a section of statistics. The eight parts were prepared in such a form that they could subsequently be bound together to form a complete annual volume.

Starting with this 1962-63 issue, the parts will be issued as independent publications, and no annual volume will be published. Libraries and others may wish to bind these according to their own pattern, either as annual volumes or as volumes containing a series of particular parts.

<sup>1</sup> This table includes all convicted prisoners who were discharged or died during the year or were still in prison at the end of the year. Individuals are counted separately on each occasion on which they were imprisoned, excluding transfers between prisons. In the case of a prisoner committed for more than one offence, the offence shown here is the most serious.
